

DERMATOLOGY VETERINARY TECHNICIAN

The Small Animal Hospital is recruiting a veterinary technician for the Dermatology service. Technicians provide assistance for all examinations, treatments, and procedures with our faculty, house officers, and veterinary students. Additionally, they are an integral member of the educational team for our students too. The opportunity to work in the dermatology specialty provides our technicians the opportunity to advance their career in their desired field. Overall access to the wide range of treatments and services offered through this service makes it a great opportunity for those considering or already have their specialization (VTS).

MINIMUM REQUIREMENTS

- *Veterinary Technician I:* High school diploma or equivalent and one year of relevant experience
- *Veterinary Technician II:* Credentialed veterinary technician

JOB DESCRIPTION

What will I do?

- Assist with patient evaluations or rechecks by assisting in patient restraint, obtaining and submitting samples, scheduling with other services for diagnostic or consultation purposes, and providing treatment or medications
- Perform general nursing care such as venipuncture, catheter placement, patient restraint, treatments, medication administration, and sample collection
- Document in electronic medical records
- Perform skin scrapes and cytology
- Assist with deep ear flushes, otoscopic exams, biopsies, intradermal skin testing, laser procedures
- Prepare allergens for intradermal skin testing and make allergy vaccines
- Allergy vaccine administration demonstration and education with clients
- Safely handle and assist with exams on both small and large animal patients
- Perform basic anesthesia and sedation procedures including patient monitoring and recovery

What would my schedule be?

The service receives Monday - Friday. May require working earlier than 8:00am or later than 5:00pm

EXPECTED SALARY

Salary dependent on experience and credentialing

- Non-credentialed technician: \$18 - \$22
- Credentialed technician: \$20 - \$25

HOW TO APPLY

Apply online at UF Careers: <https://explore.jobs.ufl.edu/en-us/search/?search-keyword=530468&job-mail-subscribe-privacy=agree>

- In order to be considered, you must upload your cover letter and resume.
- Application must be submitted by 11:55 p.m. (ET) of the posting end date.

BENEFITS

Why work for UF?

We know you care about your own pets as much as we do our patients, so we offer discounts on treatments, procedures, and even food for all our employees' pets. We encourage you to join our team and grow with us to make a difference.

- Competitive salary
- Health benefits including dental, vision, and life insurance plans
- Employee Assistance Program helping with emotional support, work life solutions, legal guidance and financial resources for UF employees and their families
- Retirement opportunities
- Paid time off and administrative leave
- Paid CE opportunities and mentorship programs
- Relocation assistance
- Licensing fees paid
- Career-long mentorship from senior technicians and faculty
- Employee recognition programs
- Uniform allowance
- VTS support
- Opportunities to teach others and shape the future of veterinary medicine

We are willing to train new veterinary technician graduates or credentialed techs who have a strong interest and want to grow in the field.
